**Acknowledgement Form
Information for candidates**

- The form – with full payment – must be received by the British Council no later than **3 pm (Local time), 20th February 2025, Thursday**.
- The outcome of each enquiry will be confirmed by Edexcel.
- Candidates’ marks or grades can go up, down or stay the same.
- Edexcel will provide a reason for the decision of a review of marking. If the mark has changed the reason will either be that an administrative error has occurred or there was a marking error. A marking error would occur where an examiner has not correctly applied the mark scheme or any other relevant procedure, i.e.
 - (i) if the ‘right’ mark was not given in a task where there is a ‘right’ or ‘wrong’ mark;
 - (ii) if there has been an unreasonable exercise of academic judgement.
 If there is a disparity of two qualification grades or more between the original marker and the reviewer, the awarding body will automatically provide the centre with specific details.
- Where a grade changes and a certificate has previously been issued, once the centre has returned the original certificate to the awarding body a replacement will be issued showing the revised grade.
- Where there has been a reduction in marks or a downgrade, the request cannot be revoked, and the original mark or grade cannot be reinstated.

In order to proceed with the enquiry about results, you/your guardian must sign the form below to confirm your understanding of the procedures and obligations.
